OUR IDEALS

Swami Vivekananda

(1863-1902)

Sri Ramakrishna Paramahansa

(1836-1886)

Sri Sarada Devi (Holy Mother)

(1853-1920)

We draw our inspiration from the life and teachings of the Holy Trio.
Their accumulated wisdom and the institutional experience of Ramakrishna Math
& Ramakrishna Mission guide us in our spiritual endeavours.

OUR MOTTO

"आत्मनो मोक्षार्थं जगद्विताय च"

"For one's own salvation and for the welfare of the world"

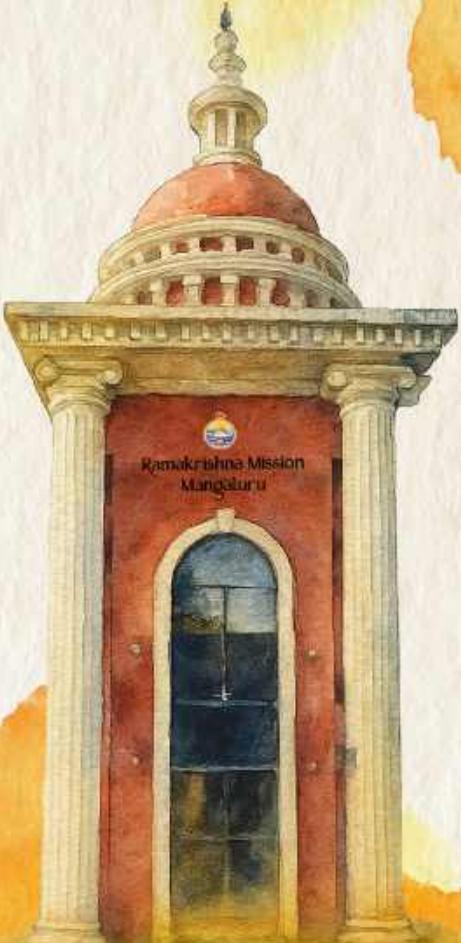

Our Emblem:

The emblem of the Ramakrishna Order, designed by Swami Vivekananda, is a unique work of art created in an exalted mood of spiritual inspiration. The wavy waters represent Karma Yoga, the lotus represents Bhakti Yoga, the rising sun represents Jnana Yoga, the encircling serpent represents Raja Yoga, and the swan represents Paramatman (Supreme Self). It is a profound symbol of harmony and synthesis for meditation in this age of conflict.

OUR HEADQUARTERS

Belur Math

Founded in January 1899, Belur Math serves as the headquarters of Ramakrishna Math and Mission worldwide. Located on the western bank of the river Hooghly in West Bengal, this sacred campus spans forty acres. The architecture uniquely fuses Hindu, Islamic, Buddhist, and Christian elements, symbolizing the harmony of all religions. This is where Swami Vivekananda spent his final years and established these twin organizations that have served humanity for over a century.

OUR CENTER

Ramakrishna Mission Mangaluru

Ramakrishna Math, Mangaluru was founded in a rented building in Lalbagh area on **3rd June 1947** under the leadership of Swami Vimalanandaji. The Mission was shifted to its present seven-acre premises in **August 1951**, thanks to the generous offer of Sahukar Venkatesh Pai who donated the beautiful property along with the Balakashrama. Situated in the auspicious neighborhood of the ancient Mangaladevi Temple, our ashram reflects an ambience of peace and tranquility. With hundreds of trees and plants adorning the campus, it provides solace to monks, students, and devotees alike.

OUR SERVICES

For over **75 glorious years**, our services have embraced the **holistic development** of individuals and society, addressing every facet of human life — from **spiritual growth** to **educational empowerment**, from **cultural preservation** to **environmental stewardship**. Rooted in the coastal district of Karnataka, our fourfold activities — **educational, social, cultural, and spiritual** have touched countless lives, fostering character, compassion, and progress while upholding timeless values that enrich both individuals and the larger community.

Swami Vivekananda Coaching Centre

We conduct surveys of local schools to identify children from backward classes and low-income families who need educational support. Every working day after school hours, these children receive free coaching under our dedicated program. Most suffer from poor academic performance and malnutrition, so we provide trained teachers, nutritious meals, milk, toiletries, and personal hygiene training.

Educational Activities

Balakashrama Residential Boys Hostel

Started in 1951, Balakashrama provides free boarding, lodging, and educational facilities to 75 students from economically backward families from rural areas. These children receive not only academic support but also character development training, enabling them to lead lives rooted in moral, ethical, and spiritual values. The facility provides uniforms, textbooks, nutritious meals, and comprehensive care without regard to caste or creed.

Sri Sarada Devi Adhyayana Kendra (Study Hall)

Our dedicated study hall facility provides a peaceful environment for students preparing for competitive exams like UPSC, NEET, CA and others. This sacred space, named after the Holy Mother, offers the necessary infrastructure for serious study and contemplation.

Social Activities

Swacch Mangaluru Abhiyan

Ramakrishna Mission Mangaluru has been at the forefront of creating awareness and action for cleanliness through a wide variety of Swacchata Programmes across the city.

"Ramakrishna Mission has taken a remarkable initiative through Swacch Mangaluru Abhiyan, inspiring citizens to take responsibility for their homes, society, and nation. This movement reminds us that true nation-building begins with our role in keeping the country clean."

— **Nana Patekar,**
Renowned Actor & Social Worker

During Swacch Mangaluru Abhiyan 1.0 (2015–2019), we conducted the Sunday cleanliness drives – "Swacch Bharat Shramadan" contributing nearly 20 lakh man-hours, daily awareness sessions on wet waste management – "Swacch Mangaluru" reaching over 3,00,000 households, school-based initiatives – "Swacch Manas" engaging more than 25,000 children, 250 magic shows on cleanliness reaching 2,00,000 children, "Swacch Soch" workshops for 15,000 college students, and impactful distribution programs for pot composters and waste bins, alongside seminars and many other meaningful activities.

Building on this strong foundation, Swacch Mangaluru Abhiyan 2.0 (Oct 2023 – Oct 2024), supported by MRPL, achieved remarkable milestones: 12 cleanliness drives, removal of 53,000+ kg of waste, mobilizing 4,426 volunteers, planting 1,400+ saplings, and reaching 5,000 households with awareness messages. Beautification projects and targeted awareness drives promoted sustainability, hygiene, and civic pride, in alignment with UN Sustainable Development Goals.

Studio, YouTube Channel & Digital Platforms

The Mission operates its own content studio and a popular YouTube channel with nearly 2 lakh subscribers, proudly awarded the Silver Play Button. Active across Facebook, Instagram, and X with a significant number of followers, it organically shares Ramakrishna-Vivekananda-Vedanta content, inspiring youth and devotees worldwide through engaging, value-based digital outreach.

Scholarship Distribution

Upholding the Mission's tradition of supporting education, we annually distribute scholarships worth approximately 10 lakhs to deserving students from economically backward classes. This initiative helps meritorious students pursue higher education without financial constraints.

Students' Study Materials Distribution

Every year, we distribute school bags, uniforms, notebooks, umbrellas, and stationery items worth nearly 5 lakhs to about 200 deserving students. This comprehensive support ensures that financial constraints don't hinder educational access.

Community Welfare Initiatives

Our volunteers promptly respond to community needs, extending support during crises such as the 2018 Coorg floods. During the Covid-19 pandemic, the Ashrama team carried out extensive awareness campaigns on social distancing, distributed masks, raised funds, and supplied food kits to those in need. We also occasionally organize clothing distribution drives for economically disadvantaged communities and provide nutritious food and milk to children from underprivileged families, ensuring care and dignity for all.

Medical Checkup Camps

We conduct monthly health check-up camps for students of our coaching centre. Occasionally, we also organize medical camps and blood donation drives for the public, addressing the healthcare needs of underprivileged children and the wider community.

Vivekananda Vrikshalaya - Miyawaki Urban Forests

We pioneered the concept of urban forests in Mangaluru to protect biodiversity and promote native flora, envisioning a city enriched with thriving Miyawaki forests. Our first project, at the DK Zilla Panchayat premises, introduced 56 native species and 460 saplings using the Japanese Miyawaki technique, known for producing plantations 10 times faster in growth and 30 times denser than conventional methods. The second project, on the Ashrama campus, followed the same technique, planting 40 species and 450 saplings, further advancing our mission to create lush, self-sustaining green spaces across the city.

Water Conservation & Campus Greenery

Small ponds with koi fish and water hyacinth naturally purify water while creating serene environments. The entire campus, with its hundreds of trees and plants, serves as a green lung for the urban area, maintaining ecological balance and providing a peaceful sanctuary for spiritual practice.

In partnership with Vibhinna, we organize special Yakshagana performances in our Vivekananda Auditorium. This traditional Kannada dance-drama form receives our dedicated support, helping preserve local artistic heritage while providing livelihood opportunities for traditional artists.

Art Camps

We occasionally organize Art Camps to promote local art and support artists. These camps provide a platform for showcasing creative works while also serving as learning spaces where artists guide and train students. The initiative nurtures creativity, preserves cultural expression, and encourages young minds to explore artistic talent.

Spiritual Activities

Our prayer hall houses a beautiful shrine dedicated to Sri Ramakrishna, Sri Sharada Devi, and Swami Vivekananda. Daily worship begins at **5:45 am with Mangalarati**, followed by Vedic hymns and prayers by Balakashrama students. The evening **Sandhyarati Starts at 6:30 pm**, followed by **Bhajans until 7:15 pm**, creating a divine atmosphere for spiritual seekers.
