OUR CENTER

Ramakrishna Mission Mangaluru

Ramakrishna Math, Mangaluru was founded in a rented building in Lalbagh area on **3rd June 1947** under the leadership of Swami Vimalanandaji. The Mission was shifted to its present seven-acre premises in **August 1951**, thanks to the generous offer of Sahukar Venkatesh Pai who donated the beautiful property along with the Balakashrama. Situated in the auspicious neighborhood of the ancient Mangaladevi Temple, our ashram reflects an ambience of peace and tranquility. With hundreds of trees and plants adorning the campus, it provides solace to monks, students, and devotees alike.

OUR SERVICES

For over **75 glorious years**, our services have embraced the **holistic development** of individuals and society, addressing every facet of human life — from **spiritual growth** to **educational empowerment**, from **cultural preservation** to **environmental stewardship**. Rooted in the coastal district of Karnataka, our fourfold activities — **educational, social, cultural, and spiritual** have touched countless lives, fostering character, compassion, and progress while upholding timeless values that enrich both individuals and the larger community.

"Wherever I go, I hear people praising the excellent work done by the Mangaluru Ashrama. I wholeheartedly compliment the Mangaluru Ramakrishna Mission for their remarkable achievement in the Swacch Mangaluru Abhiyan and in their other noble service activities. I am sure this will serve as a role model for the entire nation."
