# VIVEKANANDA COACHING CENTRE

## Free Tuition Classes for economically under privileged children

Ramakrishna Mission in Mangalore stands as a beacon of the global Ramakrishna Mission, founded by Swami Vivekananda with the motto of 'Service of God in man'. Upholding this principle, we dedicate ourselves to the welfare of many, serving those in need.

For the past two decades, our Ashrama has been operating the **Vivekananda Coaching Centre, offering free tuition to approximately 250 deserving students from the local community.** Many of these students hail from laboring families, including construction workers, rickshaw drivers, porters, immigrants, or are raised by single parents, all facing economic hardships. **Regardless of caste, color, creed, gender, or religion, we welcome them with open arms.** In addition to academic support, we provide them with evening snacks and milk daily.

Recognizing their financial constraints, we supply school bags, uniforms, notebooks, stationery, umbrellas, and other educational materials at the start of each academic year. Beyond academics, we impart teachings of the Bhagavadgita, Vedic chanting, Yogasanas, Bhajans, drawing, painting, crafts, and moral values through proficient instructors and resource persons.

Over the years, approximately 2500 students have benefited from our Coaching Centre. A team of ten dedicated teachers assists these students in their educational journey. Even after completing their 10th standard, many students maintain close ties with our Ashrama, volunteering for various programs and activities, thus giving back to society. Additionally, we extend support through scholarships and guidance to pursue higher education.

Our commitment to this noble cause and selfless service is unwavering, but we cannot continue this work alone. We rely on the support and generosity of individuals like you to sustain and expand our efforts. Your contributions will empower us to reach more underprivileged children, providing them with educational opportunities and instilling values that shape them into responsible citizens.

Join us in our mission to uplift the lives of these deserving students and create a brighter future for generations to come. Together, let's make a difference and build a society where every child has the opportunity to thrive and succeed. Your support is invaluable in our journey towards serving humanity and realizing the vision of Swami Vivekananda.

## RAMAKRISHNA MISSION MANGALURU

About 125 years ago in 1897 Swami Vivekananda established Ramakrishna Math & Ramakrishna Mission at Belur in Howrah in West Bengal. With the motto given by Swamiji, “Atmano Mokshartham Jagaddhitaya Cha – For Self-realization & for the welfare of the World”, these institutions have been carrying out the vision of Swamiji through hundreds of branches all over the world. It was the blessed privilege of Mangaloreans that a branch of Ramakrishna Math was started in Mangalore city thanks to the pressing demand of the public on 03-06-1947.

As the nation is observing the 75th anniversary of the Freedom coincidentally Ramakrishna Math, Mangalore is also observing its 75th Anniversary in the service of the humanity. Since its inception, the Ashrama is striving for the religious, spiritual and cultural upliftment of the masses through multifarious activities.
